### User Qualifications — Please complete for first-time orders of forms and ASEBA-Web accounts.

The use and interpretation of ASEBA forms require graduate training in standardized assessment procedures of at least the Master's degree level or equivalent, plus thorough knowledge of the relevant manuals and documentation. Administration of the SCICA additionally requires supervised experience in interviewing children. Eligibility to purchase ASEBA forms is based on academic degree, licensing, and acceptance of conditions 1-5. The user and supervisor named below agree to adhere to the following conditions:

1. I will maintain the confidentiality of all assessment results.
2. I will avoid labeling individuals solely on the basis of scale scores.
3. I will strictly abide by copyright laws and will not reproduce or alter copyrighted materials.
4. I will employ and score assessment procedures precisely according to instructions.
5. I will release results only to authorized persons in conformity with professional standards for psychological assessment.
